

**We are very proud to announce that Evolution Credit has been certified by the Top Employers Institute as a Top Employer in South Africa for the second year running.**

The Top Employers Institute, headquartered in Amsterdam and with 11 offices around the world, is the global authority on recognising excellence in people practices, and to be certified as a Top Employer, organisations are subjected to a rigorous verification and certification process in terms of which all aspects of their people practices are reviewed.

At Evolution Credit we are tremendously proud of our culture and our people, and being certified as a Top Employer bears testament to our commitment to these two cornerstones of our organisation.

We understand that developing and maintaining a strong and healthy culture across our organisation requires a continuous team effort by all our people.

This certification recognises the passion and commitment to our collective wellbeing and we wish to congratulate our team on this outstanding achievement.
